

### Chapter 5:31-32

31 “It was also said, ‘Whoever divorces his wife, let him give her a certificate of divorce.’

32 But I say to you that everyone who divorces his wife, except on the ground of sexual immorality, makes her commit adultery, and whoever marries a divorced woman commits adultery.

### Observations & Discussion

1. After reading the text above & hearing Trevor’s exposition of it read Malachi 2:16. In view of how serious God is about marriage & divorce what specific qualities are **you** going to look for in a future spouse to help protect yourself from divorce?

2. Read 1Cor. 7:10-16. In addition to sexual immorality the apostle Paul gives believers freedom to divorce in certain situations; what might that situation look like today?

3. If a believer has evidence that their spouse has committed sexual immorality (adultery for example)—does that mean that they must get divorced? Explain your thoughts.
